INSPECTION FINDINGS

TECHNICIAN FIELD GUIDE

Find it. Photograph it. Post it. Get paid. The customer gets a quote the next morning, signed with your name.

TERMITES

Carolina TermiteShield

$4

Signs of termites

Damage, mud tubes, swarmers or live termites

$2

Wood or siding touching the ground

A hidden way in for termites

RODENTS & WILDLIFE

HomeShield Critter Control

$3

Rodent or wildlife droppings

In the attic, crawl space or home (bats too)

$2

Exclusion needed

A specific gap a mouse fits through (pencil width or bigger) that our exclusion work can fix

$1

Mole, vole or groundhog burrows

Tunnels, runways or holes in the yard

BEES & WASPS

HomeShield Signature

$2

Carpenter bee burrows

Round holes about 1/2 inch, sawdust below

$1

Wasp, hornet or yellow jacket nest

On the house, deck, shed or in the ground

1.5x on Inspection & One Time

Inspection / Consultation and One Time Service visits pay 1.5x. Example: $4 becomes $6.

One lead per plan

Carpenter bees + a wasp nest = one Signature lead, paid at the higher amount.

Doesn't count

Apartments, mobile homes, already covered by their plan, or quoted in the last 90 days.

EVERY FINDING, 4 STEPS

All 4 steps = bonus

1. **Photograph the problem up close**
2. **Step back. Take a wide photo**
3. **Voice-to-text what you see**
4. **Post it before you leave**
   Name + ID first

Every post starts with the customer's name and ID

Copy and paste both from your technician app into your Slack message in **#inspection-findings**. Then add the photos and your description, all in one post.

```
Customer: Jane Smith #12345
```

photo photo

4 carpenter bee holes on the fascia above the back deck, fresh sawdust...

No name and ID = no quote and no bonus.

Quote request? If the customer asks for a quote and there's nothing to photograph, start the post with the name and ID, then **"Quote request"** and what they want. No bonus.

Paid weekly with payroll, for every lead that counts · Questions? Ask Daniel
